To everything there is a season,  
and a time to every purchase  
under heaven.

A time to be born, and a time  
to die.

A time to break down, and a  
time to build up.

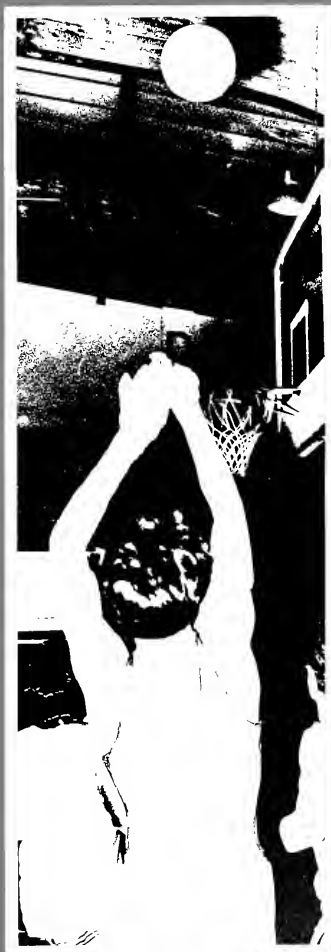

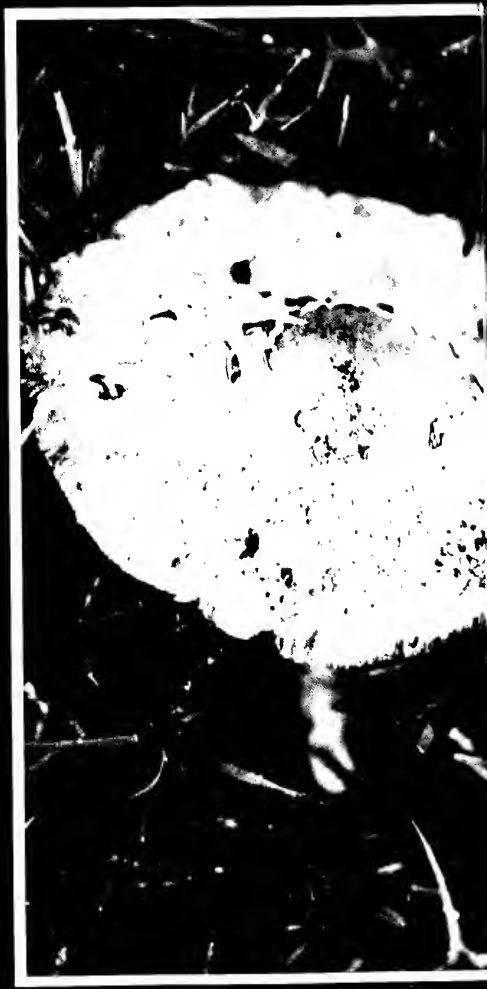

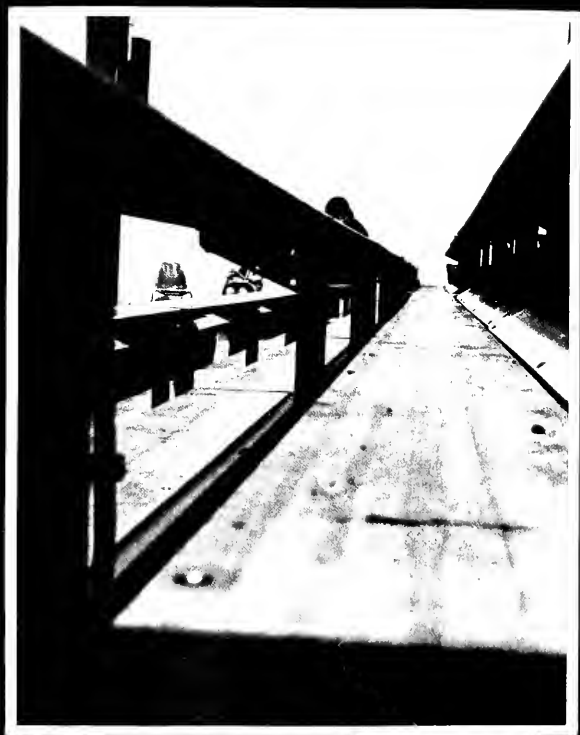

A time to embrace, and a time  
to refrain from embracing.

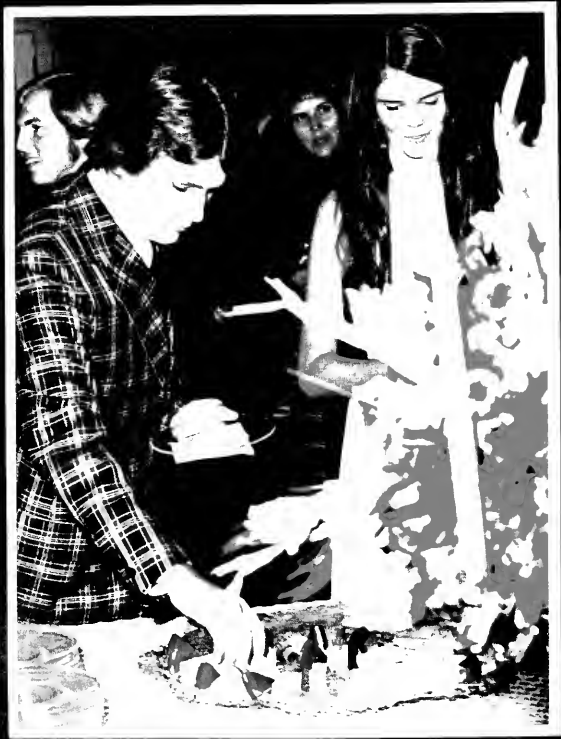

A time to get, and a time to  
lose; a time to keep, and a  
time to give away.

A time to love, and a time to hate;  
a time of war, and a time of peace.

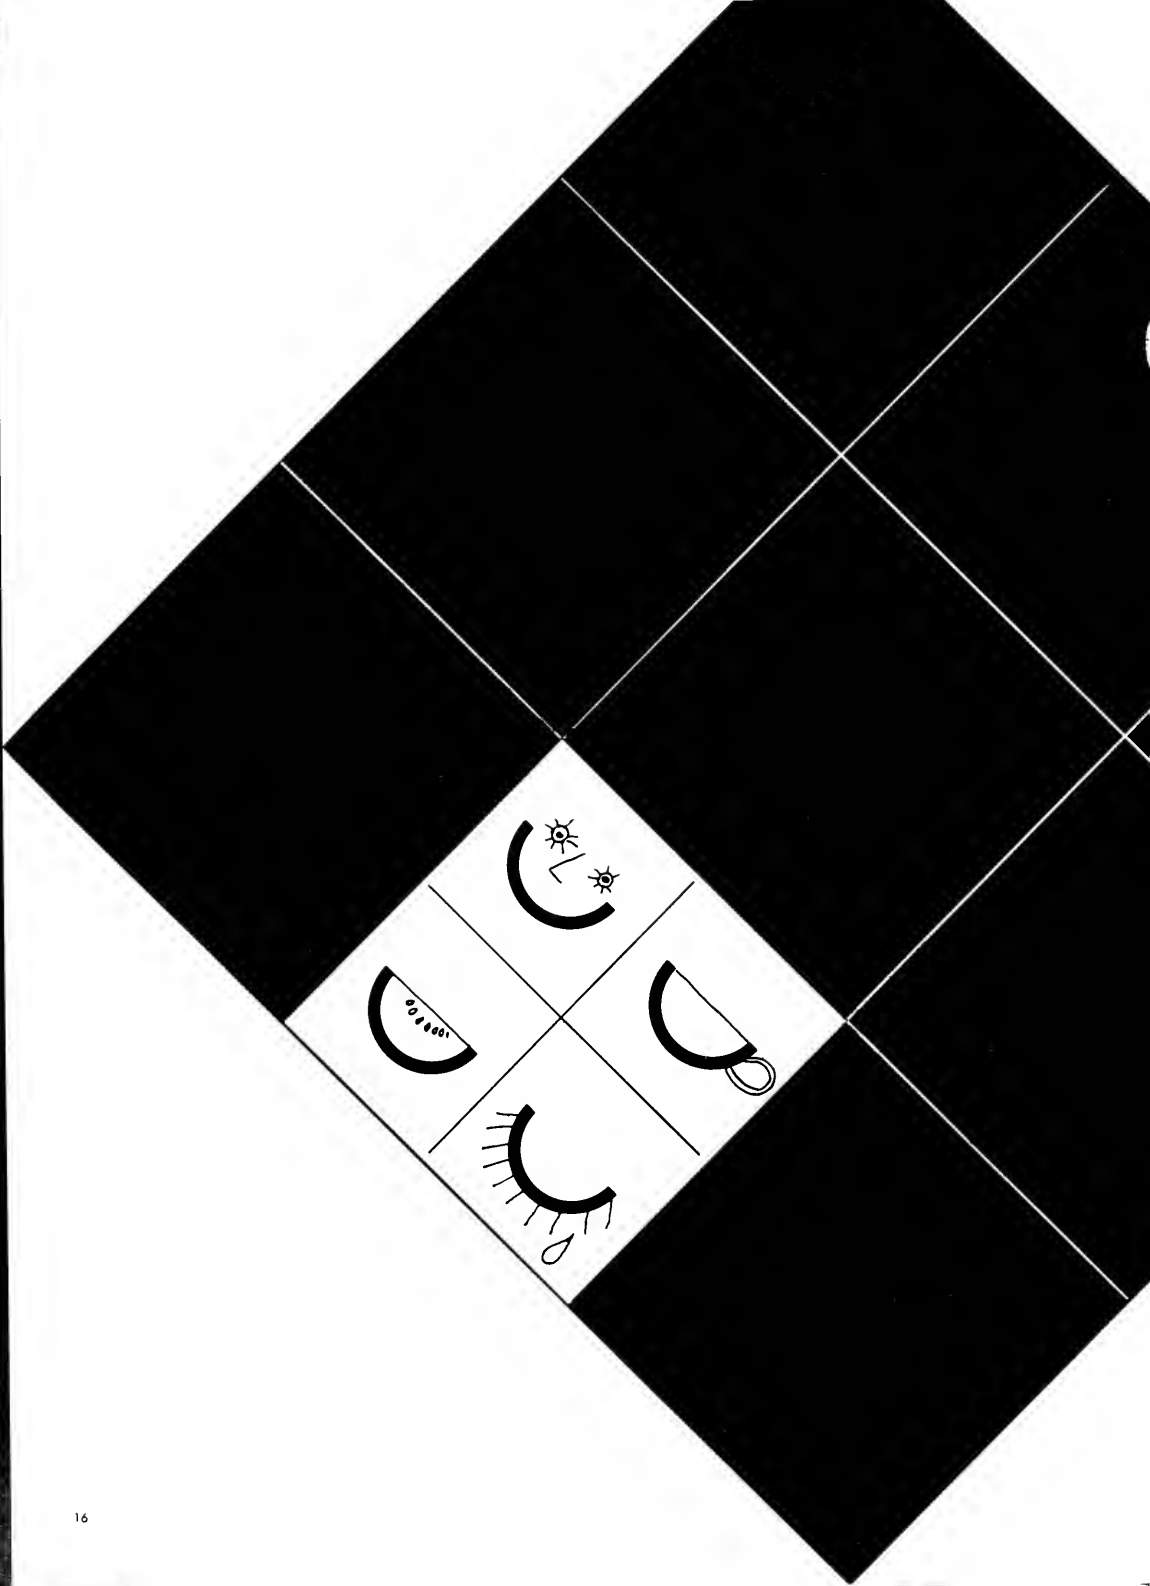

There is a time for Union University. It is a unique time . . . more than just a world of books, teachers, exams and grades . . . it is a time and space special to Union, filled with love, friendships, Christian fellowship, fraternities, sororities, discoveries and revelations. We at Union not only find a time to learn in the classroom, we find a time for growing, for smiling, for gaining, and for examining that deep-down, illusive wonder called "me."

Our time spent here at Union pauses long enough for us to become educated through love, new ideas, and multi-faceted people, and yet it moves so quickly. It pushes us on into the world, into the rapid waters of living; still it remains like soft impressions in our minds. How can we forget the time which we spent here? That time is forever etched in our feelings, as if we were molded by it . . . and we were.

# Religious Emphasis Week in Fall

Held in October, Religious Emphasis Week featured the preaching of the Reverend Bob Agee, pastor of Ardmore Baptist Church in Memphis. As guest evangelist, Bro. Agee participated in morning chapel services everyday. Night services in Powell chapel were held on Monday, Tuesday and Thursday.

The Minister of Music of Ardmore Baptist Church, Mr. George McFaddin led the singing at all of the services. Students also enjoyed the informal rap sessions held with Bro. Agee in some of the dormitories. Dr. Lewis Sewell, Dean of Religious Affairs, arranged for the week which had wide-acceptance among the faculty and the students.

Bob Agee, pastor of Ardmore Baptist Church in Memphis, Tennessee, was the Guest Evangelist during this year's Religious Emphasis Week Revival.

# Union Holds Campus Day

Once again this year the Admissions Department conducted a Campus Day for high school seniors and juniors. Many Union students participated as tour guides and hostesses.

"Dinner on the grounds" was held for the visiting students as everyone enjoyed the picnic and the Stage Band concert.

# GRADUATION 1973

Graduation, 1973, featured a "first" as Dr. W. Fred Kendall, former executive secretary-treasurer, Tennessee Baptist Convention, was presented Union's first Distinguished Award.

The 148th commencement activities this year featured a student art show, numerous awards, the traditional senior dinner, a special reception, baccalaureate and graduation ceremonies for 175 students plus 35 who graduated in August.

Miss Sheri Lynn Pickett, during the Awards Day, received top honors in English, French and Secondary Education and was also named the winner of the Zeta Tau Alpha award. During the graduation ceremonies, she was named the winner of the Highest Academic Achievement Award, graduating *summa cum laude* with a 3.972 average out of a possible 4 points.

Miss Martha Wofford was recognized by the Class of 1962 as the senior who had the highest average of all those attending Union for four years.

E. Gordon Crocker, Superintendent of Missions, Shelby Baptist Association, receives Doctor of Divinity Honorary degree as Dr. Craig, Dr. Kimzey, and Dr. Brown assist.

At the graduation ceremonies held on the West campus on June 2, special recognition went to the students graduating with honors including Miss Pickett, Miss Judy Lynn Barefoot and Miss Brenda Joyce Roark.

Miss Barefoot received the Elizabeth Tigrett Medal and Miss Roark the Hughes Medal. These medals are given to the June and August graduate respectively who are judged to be the most outstanding in the areas of citizenship, character, leadership, scholarship and school service.

Dr. Chester Swor, noted author and evangelist, was the featured speaker. He exhorted the students and large crowd of friends and parents to take the adversities of life and make them count for Christ by preparing for their inevitability.

Graduation, 1973, was traditional and unique. It was traditional in that the things that happened in the past happened again. It was unique as depicted in the words of the senior class president, Steve Vaughn, when he addressed the group. "Beautiful. Union has filled our heads and our hearts. We'll never be the same because of today."

Dr. Adrian Rogers, pastor, Bellevue Baptist Church in Memphis, (center) delivers the Baccalaureate Service in Calvary Baptist.

## Winter Carnival

For an added attraction in this year's Homecoming activities the Student Foundation sponsored a Winter Carnival. Saturday morning before the game, the basement of the gym was filled with a number of novelty booths. You could have your fortune told by the local Lambda Chi Alpha gypsy or help the SAE's throw eggs at a professor and have your fortune told later. The Chi Omega's introduced a new type of fishing, and ZTA proved that angels on clouds can be spilled with a well-thrown ball. ATO found that washing your socks can be fun. All in all the winter carnival was enjoyed by everyone.

Chi Omega accepts the award for first place booth.

# HOMECOMING

Homecoming started Friday night, January 12, with the SGA Concert featuring "Cross." Saturday, January 13, saw homecoming continue with the Winter Carnival in the basement of the gym.

This was the first win ever for Coach Simmons against Christian Brothers College of Memphis. The final score of 65-59 was indicative of the closely fought contest.

Perhaps the most memorable aspect of Homecoming is the crowning of the Queen, which took place during pre-game ceremonies.

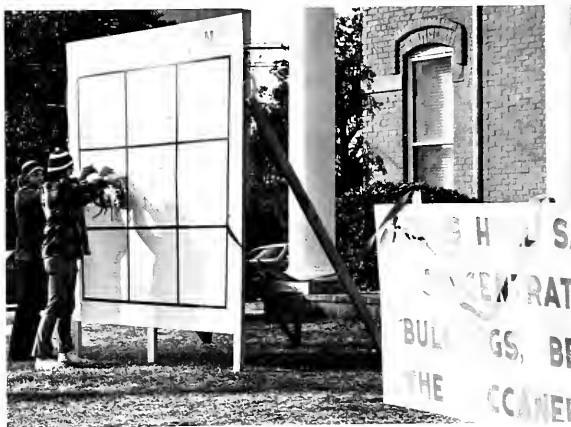

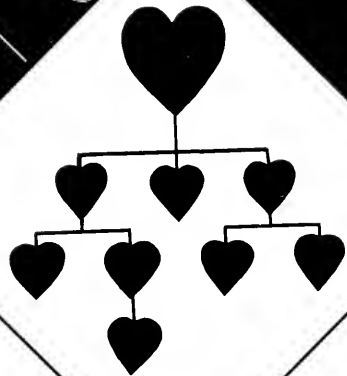

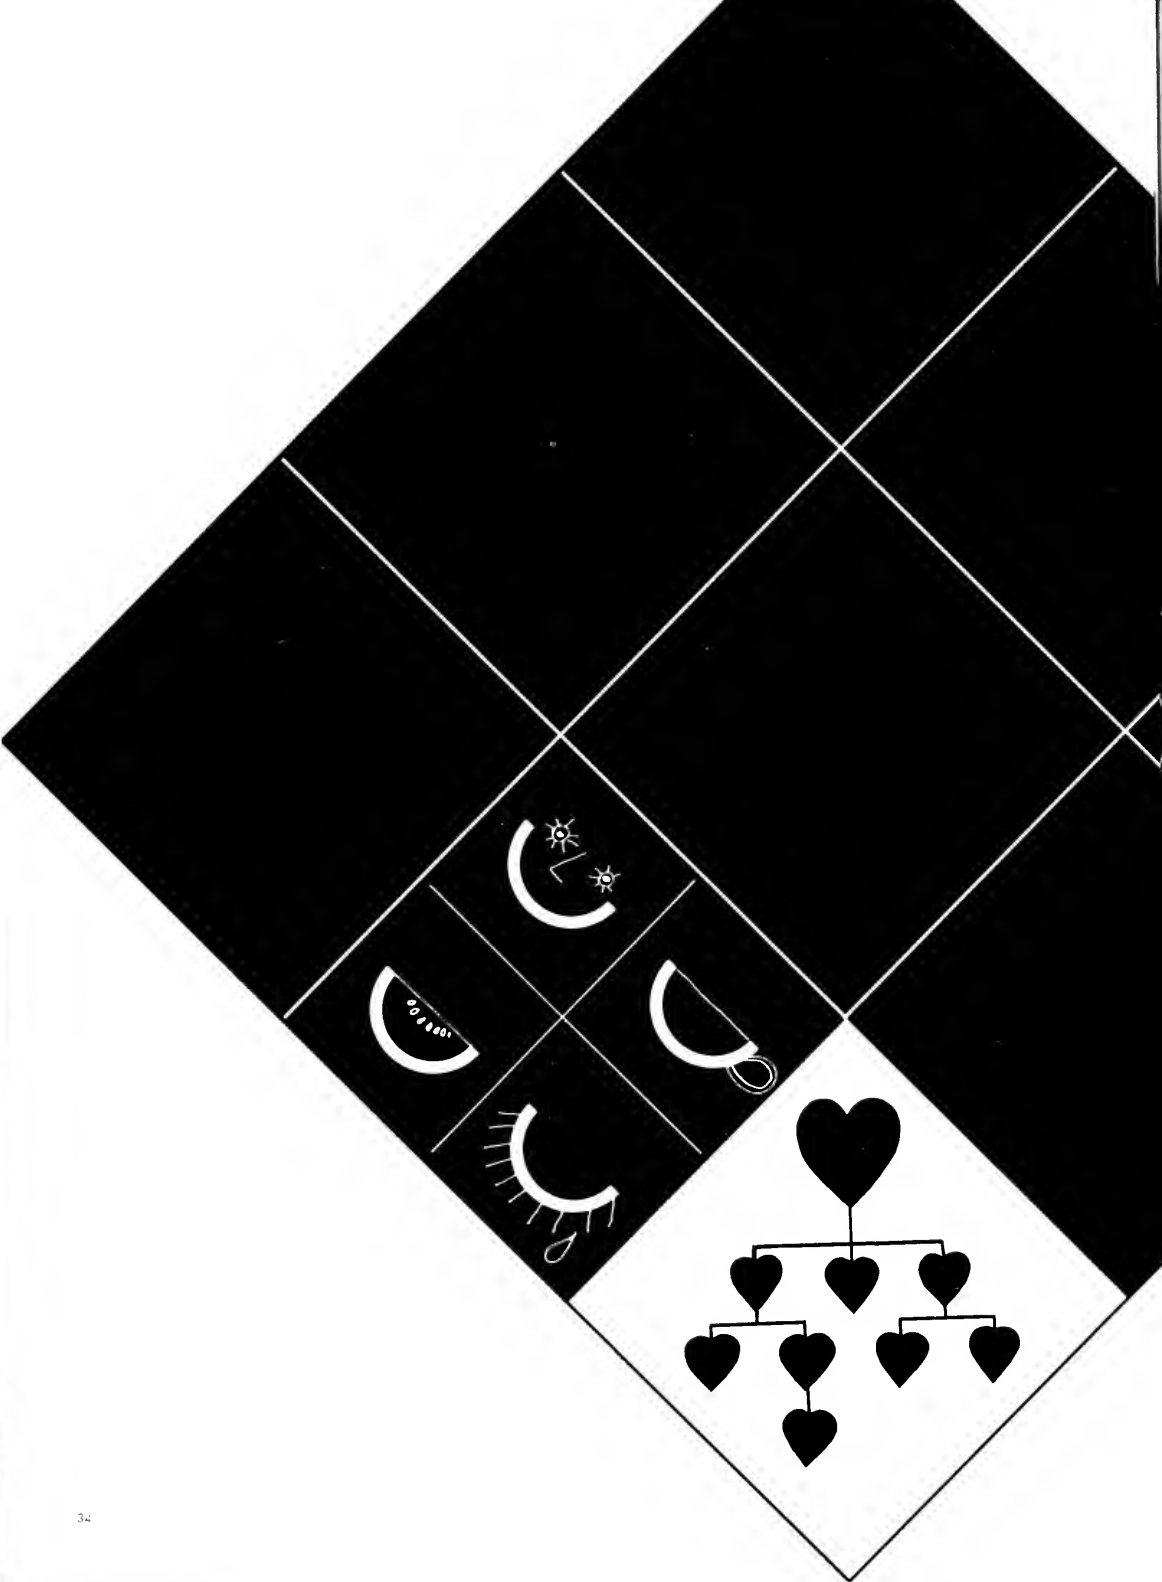

Susan Pittman is escorted on to the floor by Gary Grisham to soon discover that she is the 1974 Homecoming Queen.

Roy Weaver, president.

Lambda Chi Alpha, the fraternity of honest friendship, was founded on November 2, 1909 at Boston University. In 1939 Theta Kappa Nu joined forces with Lambda Chi Alpha. This was the largest merger in the history of the fraternity world.

Lambda Zeta-Zeta of Lambda Chi Alpha here at Union was installed on February 10, 1962 as a colony and received the charter December 5, 1964. Since that time there have been one hundred and forty-four initiated brothers. The fraternity has made great strides in the few years it has been at Union. Lambda Chi Alpha has provided the college with numerous campus leaders.

Phil Jenkins, Darrell Showmaker, Dwayne Mathis, Gary Cole, George Googe.

This year started with Formal Rush and the association of seven new men.

In October a very successful Open House was held. Our International Crescent Girl, Debbie Cathy from Murray State attended along with several alumni, students, parents, and faculty members.

The annual White Rose Formal Banquet was held at the Albert Pick in Memphis, Tennessee. Paula Brewer was announced as the Crescent Girl for 1973-74.

One of our most interesting parties was a 1950's costume party. Everyone dressed in the typical 50's style. For Christmas we had a tree-trimming party for 15 boys from Sheriff's Youth Town. The party was not only fun but inspiring to all the brothers.

Founder's Day, March 22, was celebrated with a banquet with alumni and parents attending.

A great way to end a good year was with **Splash!** This year splash was held at Ken Lake State Park in Kentucky. Sun, fun, food, and women!

In retrospect this was a great year for Lambda Chi Alpha. We celebrated our 10th anniversary at Union.

Beta Tau chapter at Union is the oldest ATO chapter to never close its doors.

Socially, this year started off with a Cowboy Date Party where we relived the olden days of the Wild West. The Big Brother—Little Sister weekend was capped off by the brothers, as a group, attending Liberty Grove Baptist Church, followed by dinner at Hagey's Catfish Hotel on the Tennessee River.

The Tau's won first place in the All-Sing for the first time since 1968.

Miss Betty Jackson was crowned chapter Sweetheart on November 10 at the Albert Pick Hotel in Memphis. Later she led the ATO Little Sisters in preparing a full Thanksgiving dinner for all the brothers.

Winter Term started with an ice storm and Homecoming. Beta Tau won the Alumni Cup in the display division and Second Place in the Winter Carnival booth. After the excitement of Homecoming was over, the Tau's were out cutting wood and helping to clean up the damage brought by the ice storm.

Spring was marked by Founder's Day in March. Many of the ATO Alumni in the West Tennessee area came back to become reacquainted with the chapter.

ATO topped the spring season off with the annual Spring Splash held at Natchez Trace State Park.

Other activities included several car washes, the Miss Phoenix Pageant held in December when Danny Burton was "crowned," and numerous date parties.

During winter term the SAE's participated in Homecoming activities. Spring Splash was the highlight of the Spring Semester which occurred in May. Everyone in the chapter looked forward to a very enjoyable year which also turned out to be very successful.

In October, the Zetas had a spaghetti supper for their dates in a member's home. Later an old barn provided the perfect setting for the movie, "Black Sabbath." In November, a standards program was given by the Police Narcotics Division on drugs. Zeta Tau Alpha has placed in All-Sing Competition for the past eight years. This year our ensemble won first place. Homecoming was held in January during Winter Term this year and the Zetas worked hard on their Winter Carnival display. The Mother-Father-Daughter Luncheon was held in the Spring and the officers were announced. The annual Spring Banquet was a big success and very entertaining. Zeta Tau Alpha helped Jackson host the Cerebral Palsy Telethon; this was held to raise money for the cerebral palsied all over the country.

Upsilon Chapter of Chi Omega was chartered at Union in 1903. It was the first women's fraternity on Union's campus, as well as being the fourth oldest chapter of Chi Omega.

In 1911, Upsilon was withdrawn from Union because of the small number of students enrolled in the University. Then in 1924 the chapter was reinstated, to be known as new Upsilon at Union. New Upsilon celebrated its fiftieth anniversary this spring. Spring Eleusinia, a program held each spring to honor Chi O's founding, was April 6 at the Jackson Country Club. Presentations were made to Upsilon members who were initiated 50 years ago at Union.

# McBroom Takes Baseball Team To N.A.I.A. Tournament

Coach Marvin McBroom made his last season at Union a winning one. His Bulldog's posted a 21-9 won-lost record which included a trip to the N.A.I.A. Tournament Preliminaries. His career record while at Union was a fine 48-17. Coach McBroom moved on to the University of Texas at Arlington where he is the head baseball coach. He takes with him many fine memories and thrilling victories, memoirs of his days at Union. Coach McBroom stressed defense and hustle; his presence will still be prevalent on Union teams for years to come.

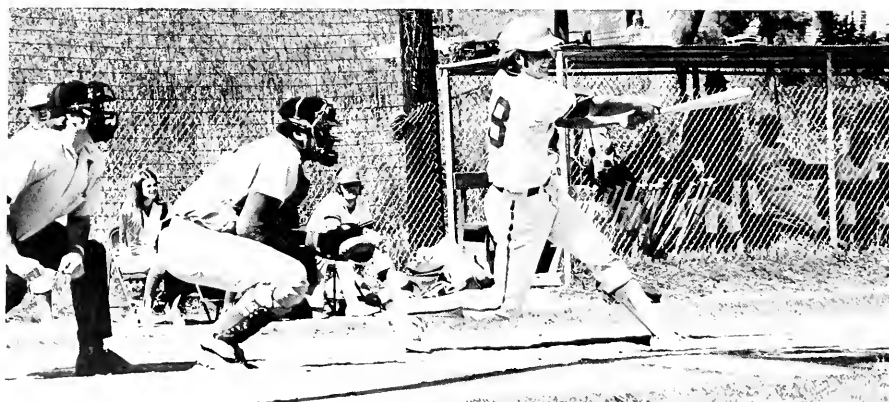

This year's baseball team, a surprise to many, again upheld the winning tradition of Union. Compiling an over-all mark of 21-9, they advanced all the way to the N.A.I.A. tournament finals before finally being eliminated. Included in the victories were upset wins over Pan American University, David Lipscomb, and Austin Peay State University. The team was characterized by excellent senior leadership, hustle, and determination. Many individual records were also broken or tied. Among these were—Gary Blaylock set the new season and career home-run record, and Steve Valadez matched the season record for the most wins in a season. This kind of individual effort helped make the Bulldogs an able opponent even for tough major-college foes.

The year started, as usual, in September with fall practice which lasted about a month. Then came winter and conditioning in the gym, after which the Bulldogs were in top shape when spring finally arrived. The season started in March with five straight victories. Then followed the annual spring trip to Texas, there the Bulldogs lost three games while winning two. They then returned home to reel off eight straight victories before again being defeated. The last of the regular season, mostly played against major-college teams, saw the Unionites win five while losing only three to bring the regular season record to 19-7. Included in these last contests was a thrilling 1-0 victory over small college power David Lipscomb in Nashville. Seasons end and the Bulldogs receive a bid to the N.A.I.A. Tournament in Nashville. There the Bulldogs advanced to the final day only to be eliminated to end the season.

## Baseball— Bulldog Style

The baseball season could indeed be labeled an unusual one. Rainy or cold weather forced the cancellation of 16 of the regularly scheduled games. This did much to hinder team development and spirit. Blessed, however, with excellent leadership on the part of the seniors, the Bulldogs came out "ready to play" at every opportunity. Injuries also did much to hinder the Union Nine, as many as three starters were at times lost to the team due to physical problems. Through all this the team struggled on.

One of the highlights of the early season is the spring season ticket sale. This effort is done to obtain money for the annual spring trip. This year the Bulldogs sold over 600 season tickets.

Again this year Bat Girls were selected from the student body. This year the bat girls were all freshmen. They were Kathy Campbell, Molly Phillips, Cindy Leslie, and Sharon Kayler. The girls did an excellent job at the games, and in supporting the Union baseball program. The girls also did much to lead the vocal support so evident at Union baseball games.

Kathy Campbell, bat girl.

**Gary Blaylock** — Gary had one of his finest seasons ever at Union. Providing the power on an otherwise weak-hitting team, Gary broke both the career and season records for home runs. Gary's leadership was an inspirational force to the team.

**Keith Cabanaw** — Keith developed into a dependable starter last season. His 4.2 record was the second best for the Bulldogs. Keith also pitched and won many key games late in the season.

**Jerry Chambers** — Jerry was injured much of last season, but still managed to get into 22 of the 30 games. One of only three freshman starters, last season's injury still gave him time to bounce back.

**Mike Jones** — Mike spent most of last season as a reliever for Union. His tremendous size poses an impressive figure on the mound.

**Marty Clements** — Marty played the right-field position for the Bulldogs. He contributed many key hits to the Bulldog cause, including a late-inning homerun which won a game against Parsons College.

**Billy Ray Cox** — Billy held down the third-base position for the Bulldogs last season. His fine defensive efforts contributed to many Bulldog wins.

**Jimmy Gammon** — Jimmy was another of the Bulldogs injured last season. A pulled muscle kept him out the entire season.

**Jim Hinkleman** — Jim showed his versatility by playing the outfield as well as pitching. Jim won a key game in the N.A.I.A. Tournament with a fine pitching performance.

**Stan Hough** — Stan was one of the mainstays of last season's team. Despite being a freshman, Stan showed tremendous poise. His key hits contributed to many victories.

# ROSTER

**Rod Mallory** — Rod was used only sparingly last season. Only a freshman, the year's experience will be of benefit to him.

**Dave Owen** — Dave was one of the most consistent hitters on last year's team. His speed and occasional power gave the Bulldogs a diversified attack.

**Andy Rushing** — Andy showed tremendous poise last season when pushed into the starting catcher's role due to the injury to Jimmy Gammon. Andy's steady bat sparked the Bulldog's season.

**Tommy Sadler** — Tommy was used very little in the relief role last season. Tommy, a freshman, gained some good experience, however.

**Steve Valadez** — Steve had his finest season ever last year. Posting nine wins without a defeat, Steve proved to be the best pitcher on the Bulldog staff.

**Pat Stegall** — Pat was one of the success stories of last season. Starting the season on the bench, Pat won a starting position with his hot hitting.

**Lynn Taliaferro** — Lynn was one of the most consistent pitchers on last year's staff. He had a 2-1 won-lost record with many saves in relief for the Bulldogs.

**Mike Verdi** — Mike played the shortstop position for last year's team. He also batted from the lead-off to give the Bulldogs a consistent high-average hitter.

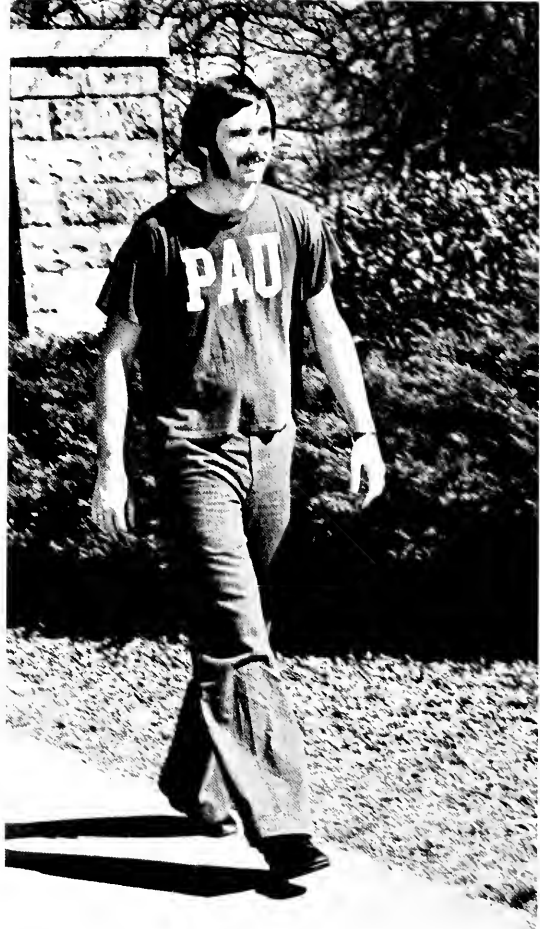

**Donnell Wilson** — Donnell was used sparingly as both a pitcher and outfielder. His main asset was his tremendous attitude and desire. Donnell is an asset to any team.

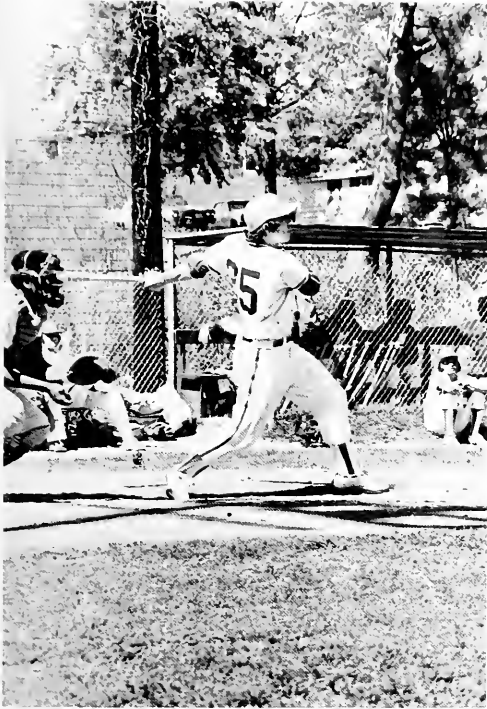

# Pan American University

Pan American University is a school located at the very tip of the United States in Edinburg, Texas. They serve as the hosts for the Bulldogs during their spring baseball stay at Edinburg. Pan American is noted for their tough baseball teams, and each season place among the top teams in the country in that sport. This competition provides an excellent proving ground for the "dogs" each season. Also the warm climate gives the team an opportunity to play games earlier under field conditions.

Keith Cabanaw sports his Pan American tee shirt.

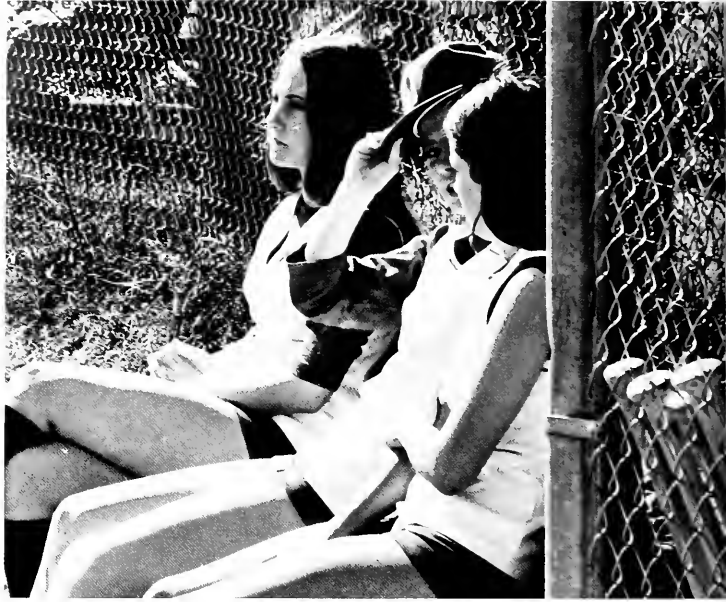

Pat Stegall.

The highlight of every baseball season is the annual spring trip. Again this season the Bulldogs traveled to Texas as the guest of Pan American University in Edinburg, Texas. Here the "Dogs" were put to the test against tough major-college competition. A quick victory over the University of Nebraska bolstered Union hopes for the upcoming games with the Pan American Mustangs, always ranked nationally in baseball. The Bulldogs began the series by splitting a double-header with the host team. Both games were very hotly contested with Pan American winning the first by a score of 2-1, and the Bulldogs taking the second 1-0. The remaining two night games were taken also by Pan American by scores of 7-1, and 4-2.

Despite having a losing record for the trip, the Bulldogs gained much needed experience against tough competition.

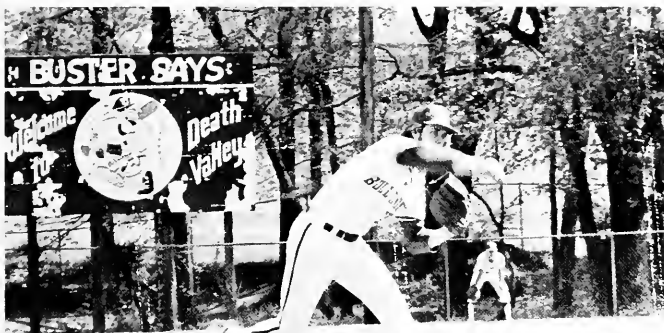

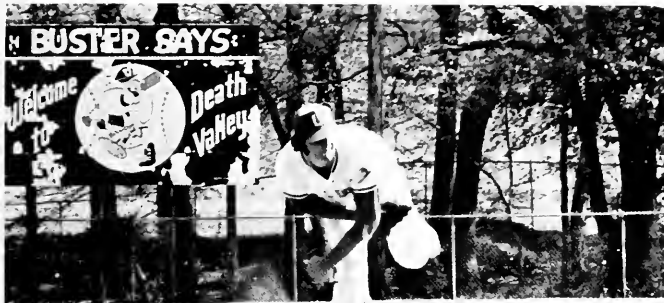

The team watches the game and gives advice.

The most important part of any team's season is a post-season tournament. This season the Bulldogs participated in the N.A.I.A. Tournament in Nashville, Tennessee. The Bulldogs opened the tournament with an extra-inning win over Cumberland. The 5-4 win was highlighted by the home-run hitting of Gary Blaylock. Next came a devastation loss to the hosts, David Lipscomb College. The loss of Bulldog pitching ace, Steve Valadez, was evident by the 13-3 score. The Bulldogs were then forced to win to stay alive in the tournament. Despite falling behind early, the Unionites rallied as they had done so often in the season to overcome Christian Brothers College by a score of 6-4. The Bulldogs then advanced to the final day of the tournament and the finals against David Lipscomb. Pitching again held the key and the Bulldogs without their ace simply could not hold the Bison's attack. The 18-1 loss evidenced this fact, and Union's baseball season was put to an untimely end.

Jimmy Gammon.

## Union Bulldogs Fashion Winning Season

The Union Baseball schedule is always one of the toughest in small-college competition, and this year was no exception. In addition to the usual tough area schools, the Unionites also scheduled games with such notables as Northeastern Illinois, Trinity College, and Kentucky Wesleyan University. The Bulldogs showed their form by producing wins against all of these visiting powers. Wins against these distant foes helps spread the Union name far and wide.

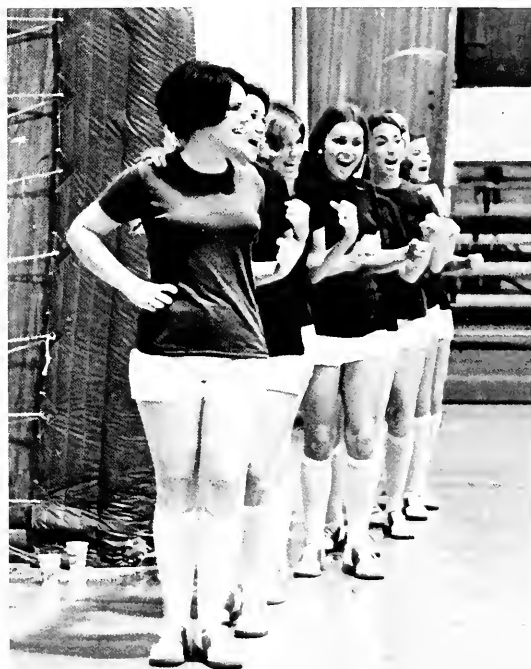

On the whole, the baseball season must be termed a success. Union again held its winning tradition and extended its string of post-season championship tournaments. The coming season brings forth challenges in the form of new personnel and a new coaching staff.

Besides lifting the spirit of the Basketball team and the students who attended games, the cheerleaders have promoted Union to students in a different light. School spirit during the sport events is important, but school loyalty and backing has had top priority this year as we have faced many obstacles. This year's cheerleaders have worked to preserve Union in more ways than one.

The Lady Bulldogs probably had their greatest season ever this year. The team was indeed an example of hustle and determination. Despite the fact that at times they were starting as many as three freshmen, the team performed like a seasoned unit. The team-play was indicative of a team that refused to lose. Featuring a tough defense and a well-disciplined offense, the Lady Bulldogs indeed proved a match for any team.

Perhaps the greatest victory of the season came against Ole Miss at Ole Miss. This win against a major college foe gives an indication of the greatness of this year's squad. Following the win at Ole Miss, the Lady Bulldogs prepared for their biggest test of the season—Memphis State University. The first contest against Memphis State resulted in an easy victory for the Tigers from Memphis. In this contest the long Christmas lay-off clearly hurt the Union cause. The second meeting in Memphis was another story. Leading by eight points with only a minute and a half to go, the Unionites lost by one point in a highly disputed finish. This game again was evidence of the worth of this year's women's team. The Union girls clearly outplayed the Memphis State Women. The deciding factor of one point was no indication of the effort the ladies put out.

## Our Women Win

Women's Basketball Team: (first row, left to right) Jody Parrish, Ann Stevenson, Beverly Smothers, Janice Davis, Nancy Fairless, Patricia Brown, (second row) Coach Birmingham, Teresa Hale, Gail Perkins, Sherry Henry, Jane Godwin, Darlene Williams, Betty Hartsfield.

Coach of the women this year was again Miss Peggy Birmingham. Miss Birmingham, a Union graduate herself, maintains an unusual closeness with each and every one of her players. This is evidenced at every practice session or game. Add to this fact that she is also a very successful coach, and you have the ingredients of a fine program.

The woman's varsity team can only be described as great this season. The record does not give a full account of the season. The most striking aspect of this year's team was their determination. Even when far behind, the girls never let up. They were, in short, a closely knit team with great potential. They used their potential to the utmost to become one of the powers of area Women's Basketball. No matter the final record, the Women's team will be termed a success. Their hustle, determination, and desire are striking examples of a successful program, coach, and team.

## 1973-74 Basketball Review

This year's version of the Union University Basketball team again represented the school in fine fashion. While obviously lacking in size and experience, they made up for these deficiencies with hustle and team-play. The record, while clearly indicating a sub-par season, does not clearly show the worth of the squad. Many of the losses came in the early season when the team was just beginning to jell as a unit. When the middle of the season rolled around, the Bulldog Five had molded into a solid team with promise.

The highlight of the season was, and always is, Homecoming. This season saw the Bulldogs gain an impressive victory over Christian Brothers College, before an enthusiastic home crowd.

Following Homecoming, the Bulldogs continued their winning streak with a strong win over Delta State. This home victory was unusual due to the fact that a failure to properly record the numbers of his players by the Delta State coach led to nine technical fouls and a 5-0 Bulldog lead before the game even started. The season was unusual by more than just game errors. A black-out in the middle of a game and a score-keeper that failed to blow the final horn on time kept the action hot and heavy.

This season the Bulldogs were again led by Coach Jim Simmons. Coach Simmons, in his fourth year as the head of the Union roundballers, gave the Union supporters many thrilling moments. His brand basketball of disciplined offense and tight defense is

evidenced by the fine Union teams. Even in the heat of the battle, Coach Simmons maintains an example of the discipline his teams are noted for.

Many teams make their reputations by playing weaker college division teams. Such is not the case with the Bulldogs. The Union schedule includes N.C.A.A. ranked Austin Peay State University, and N.A.I.A. powerhouses Southeastern Louisiana, Southern University, and Kentucky Wesleyan. Despite the fact that all of these games ended in defeat for the Bulldogs, they gave national exposure to the school and much-needed experience to the team.

The amazing fact of this year's team is that only three seniors will be lost due to graduation. With a starting five that included two juniors and a freshman, and a bench of two juniors and two freshmen, the Union basketball program shows even more promise for the future.

All in all, the season would have to be termed as a success. Despite a losing record, the Union five represented the school well. The team never quit, even in games when the score was hopelessly against them. Every team that this year's "dogs" played knew they had been in a tough scrap for a victory.

Next season brings forth new challenges and a test of the experience that was gained through this year's season. Judging from past seasons, there is little reason to doubt that the Bulldogs will rise to the occasion.

## Hustle Leads to Victory

The intramural sports program is an important aspect of student life at Union. This year under the leadership of Coaches Blackstock, Davis, and Birmingham the program flourished. Any student taking twelve or more hours is eligible, and participation was excellent. The leisure provided students by this program is second only to the enjoyment and friendly competition gained from the various activities.

Certificates are given to the winners of the individual and dual sports as well as to members of the winning teams. A trophy is also awarded to the top men's and women's athlete each year. The organization with the greatest number of points gained from participation and victories each year is awarded the President's Cup. This is the highest award given in the intramural program.

There is a wide range of events in the intramural program to serve the interest of almost any student. Among the men's events are flag football, volleyball, soccer, basketball, tennis, 1-on-1 basketball. The ladies also have their share of activities including tennis, volleyball, shuffleboard, basketball, howling, and softball. There were individual events of badminton, ping pong and horseshoes. Events are governed by the Intramural Board which is the student advisory organization. Each organization has one member on the board which meets weekly.

This season in the men's competition Sigma Alpha Epsilon started the year right by gaining 557 points in flag football. This put them ahead in the race to the President's Cup. They then proceeded to outpoint all in volleyball and horseshoes to widen their lead. The women's competition settled into a race between Chi Omega sorority and the Independents with Zeta Tau Alpha sorority not far behind. Participation points are important and all organizations were amply represented.

In the end, however, the awards are not the important part of the intramural program. The true worth lies in the enjoyment and companionship gained through the events as each student is in some way enriched. There is little doubt that the benefits are well worth the time spent.

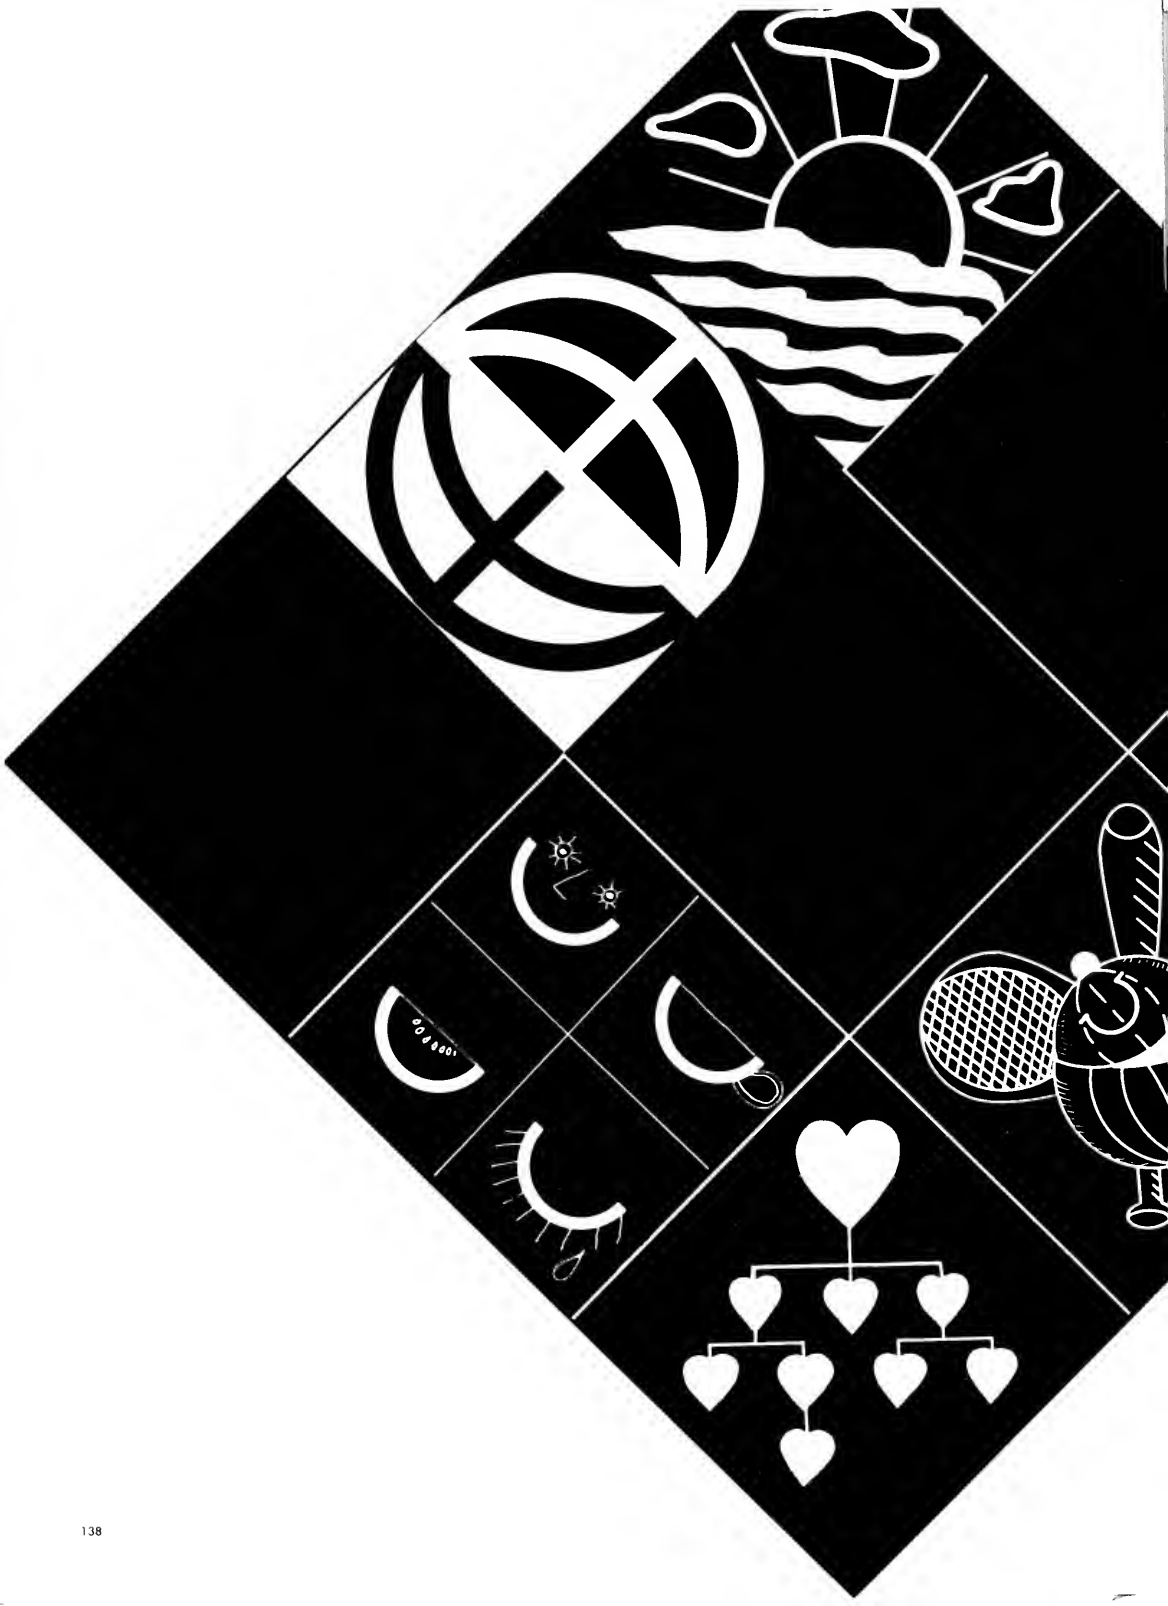

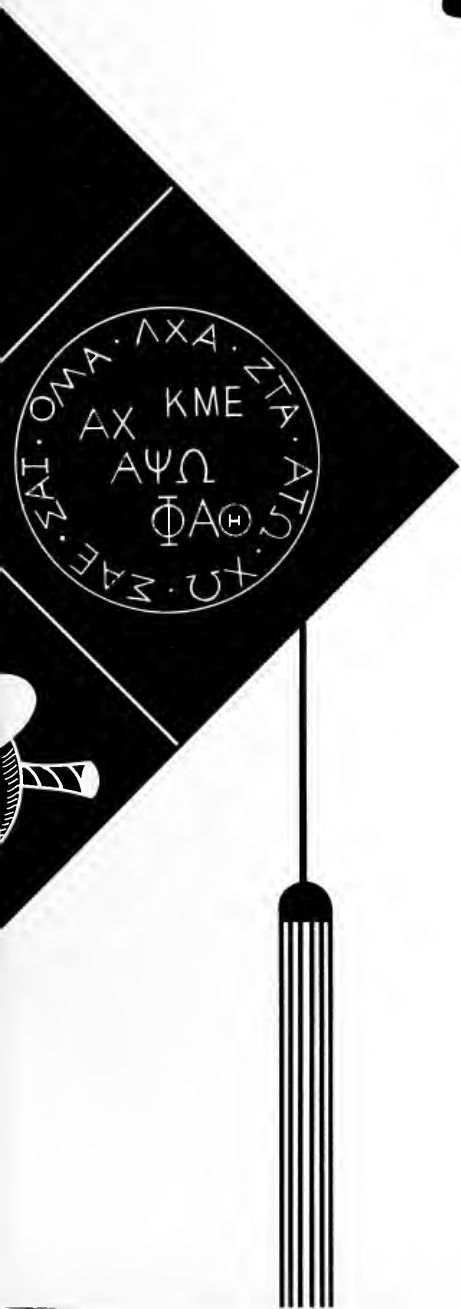

Gene Baker waits for the championship round.

# Administration and Faculty

Dr. Robert E. Craig,  
*President*

## President

What qualities are vital to enable a man to be the president of a Baptist college? With the varied duties and responsibilities of this office, what does it take to be successful?

Dr. Robert E. Craig, president of Union University since September, 1967, exemplifies that which is essential to the success of the office of college president. Because of his exceptional leadership, we salute him.

Adjectives used to aptly describe Dr. Craig in the fine performance of his duties are: versatile . . . quiet . . . honest . . . unassuming . . . practitioner . . . Christian . . . friendly . . . patient . . . dedicated . . . attentive . . . prepared . . . alert . . . ingenious . . . studious . . . genuine . . . professional.

Greeting students at the Fall Reception, President Craig gives a warm welcome to junior, Carol Boggs.

Dr. Craig "jumps off" the first moments of the continuous Trampoline, keeping the trampoline in constant motion at a dollar per minute. This was a major money-making project engaged in by many of the campus organizations and individuals and sponsored in the spring by the Student Foundation.

# Academics

Union University functions in a setting of intellectual achievement directed by a forward-looking administration and staff and a dedicated faculty.

It is their combined duty to insure an academic ecological balance for students in their quest for knowledge, self-examination, and preparation for the future.

The pursuit of knowledge, the challenge of the mind, and the desire to excel in one's work becomes the abiding ambition of many students on Union's liberal arts campus.

Completing the whole personality of the Union student also requires an emphasis on the facet of religion. The Dean of Religious Affairs oversees programs, activities and in-service vocational guidance in this field.

# Development

Certainly one of the most important decisions in the history of Union was made at the February meeting of the full Board of Trustees as they voted to build a "New Union University" on the property on Highway 45-Bypass. Groundbreaking and the start of the momentous move took place during the spring.

Because we at Union believe firmly in the worth of an education on a Christian-oriented campus, and with our strong ties and support from the Tennessee Baptist Convention, we of the Development department hope to bring forth a response from our various publics in terms of financial support and student recruitment.

Union University is on the move toward a tomorrow built on the strong foundation of yesterday.

# Student Affairs

Clyde W. Fugate,  
Dean of Men

The student at Union is a person—a whole person—with development and relationships which are both academic and social. In the office of Student Affairs, we hope to cooperate, to evaluate, and to help in all student activities outside of the classroom.

While you are on campus, we stand ready to assist in any joys or tribulations which may come up in your day-to-day college life. Our door is open to students at all times—when “all’s right with your world” or if it has just fallen apart five minutes before.

As a senior student or alumnus, we also maintain contacts in the job market so as to assist you in finding the proper job niche to match your training and desire.

# Admissions

Counselors from the Admissions office personally contact high school and junior college students in Tennessee and the surrounding states under the supervision of Dr. Milburn Blanton, Director.

There are four admissions counselors, two of whom have a master's degree in counseling.

More than a five percent increase in enrollment was shown in the fall of 1973 due to the efforts of the Admissions office. Nineteen states were represented and thirteen foreign students.

## Business Office

The final stop at the end of the Registration line — the cash register — is just one facet of the work that is done by the Business Office. Handling the fiscal affairs of the students, the college, and the faculty is time-consuming but well done by an efficient staff. The administration of the campus Book Store, and the overseeing of the sound business foundation of the college and its upkeep are but other aspects of the responsibilities of the Business Manager.

Army Reserve Officers' Training Corps has a new home—Union University. Begun in the spring of 1973, the instruction was offered to Union freshman and sophomore students under the auspices of a cooperative cross-enrollment program with the University of Tennessee-Martin.

The basic course, open to all freshmen and sophomores, is an elective offering with instruction in various aspects of Military Science.

The advanced course is open to selected juniors and seniors. Each of these students receives a monthly subsistence allowance of \$100. Successful completion of the program allows a Union student to receive a commission as an Army Second Lieutenant and to serve in either an active or reserve status.

*"For everything there is a season and a purpose for everything under heaven." We've heard this line read to us from the Bible, and we've heard it in popular song, but until you really sit down and look at it closely, it's hard to believe it can be true.*

*To think that for every little thing there IS a special time and place for it to belong and live to its fullest. And yet again, I am that little thing that has its special place.*

*Union University has offered to me everything it has to offer. Even little as that may be in some areas, it has surely made up for it in friendships.*

*As I sit and look at this yearbook and think of all the time and hard work that we have put into it, we sometimes question if it could possibly be worth it all. Now all we ask is -- make it worth it -- enjoy it!*
